

OPI & VRI SCHEDULING • PHONE & VIDEO

Connect to a Professional Interpreter in Seconds

Schedule or launch secure phone and video interpreting from one simple workflow—across 200+ languages and ASL.

Whether it's an IEP meeting, a patient consultation, a court proceeding, or a government service, SRH helps your team communicate without delay.

TRUSTED BY ✓ Schools ✓ Government ✓ Healthcare ✓ Courts ✓ Enterprises

THE CHALLENGE

When communication depends on finding the right interpreter quickly, every delay creates frustration. Staff shouldn't have to remember PINs, call multiple vendors, or juggle separate systems just to begin a conversation.

THE SOLUTION

SRH brings phone and video interpreting into one simple workflow—choose the language, choose how you want to connect, and SRH handles the rest.

FROM REQUEST TO CONNECTION

1

Choose Your Language

Select from 200+ spoken languages or American Sign Language.

2

Connect Now or Schedule Ahead

Start immediately or reserve an interpreter for a future meeting.

3

Start Communicating

SRH locates a qualified interpreter and launches the call or video session.

YOUR REQUEST

Language	Spanish
Service	Video Interpreting
Status	Submitted ✓

SRH IS CONNECTING YOU

- ✓ Qualified Interpreter Found
- ✓ Joining Video Room
- ✓ Estimated Connection: 15 seconds
- ✓ Session Ready

WHY ORGANIZATIONS CHOOSE SRH

- ✓ **Respond immediately—or plan ahead**
Launch interpreting in seconds or schedule future sessions from the same screen.
- ✓ **Simple enough for every employee**
No codes, phone trees, or special training.
- ✓ **Language access without limits**
Support virtually every spoken language plus ASL from one platform.
- ✓ **Every session automatically tracked**
Department-level reporting and precise billing without manual work.
